

# PROJECT

## My comic strip

**Deadline: 30th January**

Task description: Your task is to create a comic strip. You can do it in groups (2-4 people)

Preparation step by step:

1. Think of a story you would like to present. Consider the following aspects:
  - plot
  - setting
  - characters (names/nicknames, etc.) It's best if you are in the story, but you can change your names.
2. Give it a title, eg. My best holidays ever, An unforgettable school trip, And that's how they met..., How my pet saved my life.
3. Download the following programme:

<http://www.comiclife.com/>

4. Take the photos you need with a digital camera.
  5. Download the pictures onto your computer.
  6. Create the dialogues.
  7. Use the program to create your comic strip.
  8. Before printing check for spelling and other mistakes in your dialogues.
  9. Print it and save a copy at your desktop too.
  10. Bring it to school and get a good mark!
- \* If you prefer you can draw the comic strip yourself or use any other means.

**What counts is:** idea, creativity, length of your comic strip, neatness, correctness
